[Index: Catalogue of Relevant Information related to Regulations and Food Standards](#)

## Introduction

Lack of information on importing country / market requirements was the common need expressed by most of AANZFTA Parties. A compilation of Catalogue of regulations/guidelines index for each AANZFTA party is provided in **D5.A.1 Index - Relevant Information related to Regulations and Food Standards**.

This section contains country wise list of legislation, standards and guidelines related to pre-packaged food manufacturing, food product standard, import-export, packaging &labelling, contaminants, prohibition, licensing & registration, etc. MSMEs exporting to AANZFTA Parties can use the list of legislation index to check against the files contained in the respective country catalogue.
